O R D E R

On February 15, 1995, AmeriConnect, Inc. ("AmeriConnect") filed with the Kentucky Public Service Commission ("Commission") an application for a Certificate of Public Convenience and Necessity to operate as a resale common carrier of telecommunications services within the Commonwealth.¹ On March 31, 1995, the Commission ordered AmeriConnect to submit additional information. AmeriConnect filed its response on April 19, 1995.

In the Commission's request for information, AmeriConnect was asked, inter alia, whether or not it or any of its affiliates had ever received compensation for providing intrastate telecommunications services to the public in Kentucky and, if so, to explain in detail. AmeriConnect responded that it had received compensation for providing intrastate telecommunications services in Kentucky. AmeriConnect's response is attached hereto as Appendix A.

¹ Case No. 95-058, The Application of AmeriConnect, Inc. for a Certificate of Public Convenience and Necessity to Operate as a Resale Common Carrier of Telecommunications Services Within the State of Kentucky.

Accordingly, the Commission finds a prima facie showing has been made that AmeriConnect failed to file with the Commission its application for approval to operate and its schedule of rates and conditions of service prior to collecting compensation for the provision of utility service, in violation of KRS 278.020 and KRS 278.160. Therefore, AmeriConnect should immediately cease providing, or cease charging for, any and all interexchange telecommunications services within the Commonwealth of Kentucky.

IT IS THEREFORE ORDERED that:

1. AmeriConnect shall immediately cease and desist from providing or charging for any and all intrastate telecommunications services within the Commonwealth of Kentucky.

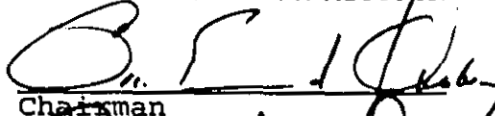

2. AmeriConnect shall appear at a hearing scheduled for July 11, 1995, at 10:00 a.m., Eastern Daylight Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky, to present evidence on the alleged violation of KRS 278.020 and KRS 278.160, and to show cause why AmeriConnect should not be required to make refunds of compensation collected prior to obtaining a Certificate of Convenience and Necessity and filing its schedule of rates and conditions of service.

3. Any motion requesting any informal conference with Commission Staff to consider any matter which would aid in the

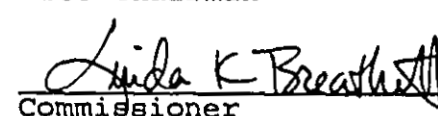

handling or disposition of this proceeding shall be filed with the Commission no later than 20 days from the date of this Order.

Done at Frankfort, Kentucky, this 9th day of June, 1995.

Respectfully submitted this 18th day of April 1995.
